About Me

Hi! I am **Silvije Durdevic**, 2D/3D Artist based in Croatia. Generally I'm focused on graphic design, branding and print media but also these disciplines I like to use in digital solutions - web design, digital art and illustrations.

I have the awareness of the competitive business environment and can think creatively and have the capability to develop new designs, concepts and layouts that fit the clients' needs which will stand out the competition. Able to manage multiple projects in a fast paced environment from concept through completion, utilizing brand messaging and creative standards.
